Dear Thomas,

Thank you for your generous support of the 5th Annual Friends Fur-Ever Feast. Thanks to you, we raised **\$30,000** after expenses making it one of our most successful fundraisers to-date! **100%** of these funds directly benefit DuPage County Animal Care & Control's homeless pets and the Friends of DCACC Foundation's lifesaving programs! Below is a listing of your Friends Fur-Ever Feast donation(s)/purchase(s):

Event Sponsorship	\$395
Event Ticket Purchase	\$225 (approx. \$40 of each ticket is tax-deductible)
Grab The Grub Purchase	\$100

DCACC provides a much needed safety net for more than 3,000 animals each year, and does so without the support of taxpayer dollars, so every dollar counts. The funds raised by events like the Friends Fur-Ever Feast allow us to continue the lifesaving adoption and animal welfare initiatives that have to-date allowed us to provide assistance for:

187 senior animals (age 6+ for dogs and 8+ for cats) receiving help finding their forever homes through **Scratch's Senior Adoption Fund**

15 senior felines aged 10+ years receiving assistance with finding their forever homes where they can live out their golden years through **Scratch's Feline Adoption Fund**

14 bonded animals (5 pair) that have found their forever homes together through **Scratch's Bonded Pair Adoption Fund**

1,725 cats and kittens receiving help finding their forever homes - opening up lifesaving space for more cats and kittens awaiting adoption - through **Scratch's Feline Adoption Fund**

10 dogs and cats that have been given a second chance at life through the **Critical Care Fund**

46 dogs and cats waiting on the adoption floor for 30 days or longer that have found their homes sooner thanks to **Scratch's Extended Stay Adoption Fund**.

Friends of DuPage County Animal Care & Control Foundation is a 501(c)3 public charity EIN #20-5478224.

66 small animals (guinea pigs, parakeets, rats, hamsters, turtles, etc.) finding homes through **Scratch's Small Animal Adoption Fund** which encourages those looking to add a small animal to adopt rather than buy from a pet store.

Life saving medical equipment and supplies through our Critical Care and General Funds.

3 animals with pre-existing medical conditions received help finding a forever home through **Scratch's Medical Disclosure Adoption Fund**.

More than **644 dogs** have successfully participated in the lifesaving **S.T.A.R. (Structured Training And Reinforcement) program**, a partnership between DCACC, the Friends of DCACC Foundation and The BellyRub Klub.

Thank you for helping make life better for the animals in and around DuPage County!

Yours very truly,

Deanna Wilkins
