Dear Mr Tom Hartel

On behalf of the Misericordia Women's League, we would like to thank you for your generous contribution to our annual benefit, "Queen of Hearts." Your donation will help Misericordia's vulnerable population achieve their greatest potential.

Misericordia's rich history of care is a credit to the kindness of thousands of generous supporters. Over the last 16 years, our Women's League has been able to donate more than \$2 million to the facilities and programs that enhanced the lives of so many individuals with developmental disabilities. In 2014, the funds we raise will be helping more than 600 children and adults who call Misericordia home.

With the generous support of people like you, Misericordia's staff will enable these individuals and their families to not only meet essential daily needs, but also work toward a brighter future with equipment purchases and enriching programs.

For more information on how your thoughtful donation is making a difference in the lives of so many in the Misericordia community, we invite you to visit the web site at www.misericordia.org. You can also find information on upcoming events and volunteer opportunities.

Thank you again for being a very special part of the Misericordia family. We truly appreciate your generous support.

Sincerely,
